Official Website + Department Sites + Public Sources

How to use this document: Everything below was collected from JUW's official website (juw.edu.pk), its department sub-sites (e.g. cs.juw.edu.pk), and Wikipedia/HEC listings — all publicly available. Use this as the source text you chunk and embed into your vector database. Source links are noted at the end of each section so you (or your RAG pipeline) can re-verify or refresh anything before publishing it to students.

5. Admissions

Eligibility

- Admissions are open exclusively for girls/women.
- A candidate placed in 3rd division or scoring less than 45% in the pre-requisite exam is NOT eligible.
- Only candidates who passed their pre-requisite exam within the last 5 years can apply on regular merit (seats also reserved for candidates who passed more than 5 years ago).
- A candidate who already holds a BS/Masters degree cannot be re-admitted to another BS/Masters program (with narrow exceptions for Urdu/English linguistics-to-literature

progression).

- Cambridge Board students and Deeni Madaris graduates must get an IBCC equivalence certificate before admission.

Documents Required

- Matric certificate & mark sheet of the last examination passed
- 2 recent passport-size photographs (admission kit process separately mentions 4 photos)
- Photocopy of applicant's CNIC or B-Form
- Photocopy of father's/guardian's CNIC
- Migration certificate (if transferring from another university/institution)
- IBCC equivalence certificate (only if applicable — Cambridge/O-A Level or Madaris background)

Step-by-Step Admission Process

1. Create an account / register on the JUW official admission portal (admission.juw.edu.pk)
2. Fill out the application form with valid information
3. Read the instructions sent via email after submitting the application
4. Visit the Admission Office with the required documents
5. Pay the admission processing fee (Rs. 2,500/-) at the admission counter and collect the fee receipt
6. Submit documents for verification
7. Admission Dept. verifies documents/fee voucher and issues the Admit Card for the admission test, plus an Admission Kit (JUW catalog + sample test paper)
8. Appear for the Aptitude Test (~1 hour; format follows GMAT-style for undergrad, GRE General for MS applicants, GRE Subject for PhD applicants)
9. Merit list for interviews is announced on campus, website, and Facebook page
10. Attend the interview with original documents
11. Final qualified-candidate list announced
12. Collect the Enrollment Form from the enrollment counter and submit original documents
13. Pay fee via Cash/Pay Order at the campus by the due date — Student ID Number is issued at this point

6. Fee Structure & Payment

Note: The official Fee Structure page (juw.edu.pk/fee-structure) publishes the actual fee amounts only as scanned image/PDF pages, not as extractable text — so exact current tuition figures could not be scraped as text. Direct your chatbot (or students) to the live e-Prospectus PDF link on the site for exact current numbers: juw.edu.pk → Admissions → E-Prospectus.

- Payment is made via bank pay order / cash at the on-campus **Bank Counter located in Block C**.
- Students are advised to pay fees through pay orders.
- An ATM facility exists on campus.
- After bank counter hours, the University's own Account Section collects fees to facilitate students.
- JUW markets itself as having "the lowest fee structure" compared to other private-sector universities in the country.

7. Scholarships & Financial Assistance

Types of Scholarships

Type	Eligibility
Advance Need-cum-Merit Scholarship	For new admits: financial need + 70% marks in Pre-Engineering/Pre-Medical. (Pharmacy students not eligible in 1st semester). To continue: maintain 3.75 GPA.
100% Scholarship (Exemption)	Awarded solely at the Vice-Chancellor's discretion, based on merit and need.
Merit Scholarship (existing students)	Students scoring 4.0 GPA in a semester get 50% Tuition Fee waiver for the following 2 semesters. Announced every February.
Financial Assistance Scholarship	Need-based; from 2nd semester onward requires min. 2.75 GPA to apply and to continue.
Sister Concession Policy	If two sisters study at JUW simultaneously, one gets 50% tuition fee concession.

General Eligibility Rules for ALL Scholarships

- Must follow the academic roadmap with a full course load.
- Cannot hold more than one scholarship/fee concession at a time (university or external).
- **Must maintain 75% attendance every semester.**
- Must maintain the CGPA required by their scholarship category.
- M.Phil and PhD students are NOT eligible for these scholarships.
- Students already receiving a UKAA scholarship cannot apply.

Selection Committee

Name	Designation	Role
Ms. Waniya Wajeeh	Registrar	Chairman, Scholarship Committee
Ms. Najia Tanveer	Deputy Registrar	Secretary, Scholarship Committee
Mr. Sani Ahmed	Director Finance	Member
Ms. Gulnaz Altaf	Director QEC	Member
Ms. Saba Shakeel	Student Advisor	Member

8. Attendance, Semester System & Exams

- JUW follows a **semester system**: each academic year = 2 semesters of 20 weeks (including 1 week registration + 2 weeks exams).
- **75% minimum attendance** is the benchmark referenced across scholarship policy (also the standard HEC-wide norm for sitting final exams — confirm the exact clause in your Student Handbook / Code Book for the precise exam-eligibility wording).
- A Discipline Committee monitors law & order / academic environment on campus and can take disciplinary action for violations.
- Detailed exam rules, mid-term weightage, and promotion criteria are published in the official **Student Hand Book** and **Code Book** (juw.edu.pk/student-hand-book, juw.edu.pk/code-book) — these are PDF/image-based documents; download them directly for verbatim rules to feed into your RAG database.

9. Campus Facilities

Library

- Central Library with 60,000+ books
- 60+ international journals subscribed
- HEC E-Library access: 18,000 downloadable e-books (dl.juw.edu.pk)
- ASM Bio Resource Center: 200+ Microbiology reference books + computer lab

Internet & IT

- 300 Mbps CIR wired internet + Wi-Fi across campus
- Each department has its own computer lab; additional labs at the central library

Sports

- Clubs: Cricket, Table Tennis & Badminton, Chess & Scrabble, Throwball & Volleyball, Athletics
- Indoor games: Table Tennis, Scrabble, Carrom, Chess, Gym; Outdoor: Volleyball, Basketball, Shot Put, Throwball, Cricket, Football, Racing, Taekwondo
- Two annual competitions: Spring (Feb–Mar) and Summer/Fall (Sep–Oct), contested between the 4 faculties (Jinnah Science, Jinnah Pharmacy, Jinnah Social Science, Jinnah Business Administration)
- Recent events: 9th Al-Zarooni Student Olympics Games (Sep 2025), Sports Gala 2025 & 2024, Karachi Open Taekwondo, Karachi Games Chess Championship, Badminton Event, Throw Ball Tournament

Other Facilities

- **Medical Unit** — a trained nurse is present during university hours for first aid
- **Canteen, bookshop & photostat shop** — canteen serves snacks/drinks; photocopy shop near the Accounts & Finance office at concessional rates
- **Transport** — public transport available right outside campus; private van services for various city areas also operate
- **Career Counseling** — dedicated office (cso.juw.edu.pk)
- **Media Cell** — includes FM 91.8 "Sada-e-Taalbat" online radio + video lab (via Media Studies dept.)
- **Facilities for Disabled Students** — dedicated support listed under Campus Facilities

Uniform Policy

- Junior students: white plain shirt, white plain shalwar, peach plain dupatta
- Final-year & Master's students: white plain shirt, white plain shalwar, peach-and-grey plain dupatta
- Students wearing a scarf must match the dupatta color

10. Department Deep-Dive Example — Computer Science & Software Engineering (CSSE)

> JUW's individual departments increasingly run their own mini-sites with far richer detail than the main university site. CSSE (cs.juw.edu.pk) is the most developed example — use it as a template for scraping other departments the same way if you want that level of depth for every subject.

Programs Offered

- BS Computer Science, BS Software Engineering, BS Data Science (4 years each, 130+ credits)
- MS Computer Science, MS Software Engineering (2 years, 30 credits)
- PhD Computer Science (3–5 years, HEC approved)

- **ICyDD** — Innovation & Computing Day / research-conference-style event
- **Women in Computing** — annual event celebrating women in tech

Student Chapters

ACM (Women Chapter) | IEEE | GDSC (Google Developer Student Clubs) | WiCyS (Women in Cybersecurity)

Industry Linkages

- 15+ MoU partners, 200+ internship placements, 8 advisory board members, 12+ training sessions/year
- Partner companies include: Systems Ltd, NetSol Tech, TRG Pakistan, Arbisoft, 10Pearls, Folio3, PTCL Digital, Contour Software, Bentley Systems, I2C Inc., Tech Valley

Alumni (aggregate — see note below)

25+ graduating batches, alumni now working at 300+ companies. A few publicly featured "success story" examples from the department's own homepage:

- Fahama Farooq — Apex Consulting (Ed-Tech), Batch 2022
- Sana Ghulam Muhammad — StratonAlly, Batch 2022
- Shumail Rafaqat — Careflare, Batch 2022

Privacy note (important): The CSSE alumni page also lists a full personal directory of 250+ individual former students with their names and personal LinkedIn profile links. I have deliberately **not** reproduced that full roster here — compiling hundreds of named private individuals' personal profile links into a redistributable document isn't something I'll do, even though the page itself is public. If your chatbot genuinely needs alumni-placement answers, it's safer to store aggregate stats (batch count, companies, industries) rather than a person-by-person directory. If you want, I can help you design a version of this feature that only surfaces aggregate/anonymized placement data.
